

Manufacturer:

Venture Industries Sp. z o.o.
ul. Mokra 27
05-092 Łomianki-Kielpin
Polska

doc. no. P1.23.22032024_EN

Declares that the product described below:

Name: CENTRIFUGAL FAN
Type: HFD / HFR*
Model and serial no.: All manufactured
CE marking date: 2024 - in accordance with 2014/30/EU Directive
Use/Function: Transport of specified medium **after incorporation into machinery/installation**

*This document does not apply to the explosion-proof (ATEX) version of the fan.

complies with the requirements of:

- EC Machine Directive 2006/42/EC Directive - Annex II A for Machines
- EC Low Voltage Directive 2014/35/EU – Annex III
- EMC Directive 2014/30/EU – Annex I and II

Compliance with 2014/30/EU Directive applies to the single product. When product is used with other components the installer is responsible for compliance of entire system with the provisions of 2014/30/EU Directive.

Following standards were applied (partially or full):

EN ISO 12100: 2011 DIN ISO 21940-11:2017 DIN EN IEC 61000-6-4:2020 DIN EN IEC 61000-6-2:2019
VDMA 24167:1994

Furthermore:

- **Product is partly completed machinery (as defined by Directive 2006/42/EC), and it must not be put into service until the machinery in which it is incorporated has been declared in conformity with the provisions of 2006/42/EC Directive (and its amendments).**
- The machinery (installation) into which the product is incorporated should particularly meet the requirements of current standards: EN ISO 12100, EN ISO 13857, EN ISO 13854, EN ISO 13850, EN 60204-1. Compliance with EN ISO 13857 refers to safety devices supplied and installed in the product by the manufacturer.
- Unit complies with Regulation (EU) No 327/2011 implementing Directive 2009/125/EC with regard to ecodesign requirements for fans driven by motors with an electric input power between 125 W and 500 kW.
- In accordance with 2006/42/EC Directive requirements: The technical documentation for above mentioned product has been prepared in accordance with Directive 2006/42/EC, Annex VII, Part B, and is located in the manufacturer office: *Lotnicza 21A, 86-300, Grudziądz, Poland*. The person authorized to comply the relevant technical documentation: *Piotr Pakowski (Lotnicza 21A, 86-300, Grudziądz, Poland)*. Relevant information about the product will be provided in electronic or paper form in response to a reasonable request of national authorities.
- The product complies with Directive Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment.
- According to the current level of knowledge, our suppliers of components, raw materials and preparations involved in our supply chain, working according to standards compatible with Regulation (EC) No 1907/2006 (REACH) and subsequent amendments.
- Integrated Management System is compliant with PN-EN ISO 9001:2015 and PN-EN ISO 14001:2015 standards.

On behalf of the above named company, I declare that, on the date the equipment accompanied by this declaration is placed on the market, the equipment conforms with all technical and regulatory requirements of the above listed directives.
